17 v.  
18 DYLAN CORRAL,  
19 Defendant.

CASE NO. 2:22-CR-00048-JCC  
STIPULATION TO VACATE TRIAL AND SET  
STATUS CONFERENCE; [PROPOSED] ORDER  
COURT: Hon. U.S. District Judge John C. Coughenour

20  
21 STIPULATION

22 Plaintiff United States of America, by and through its counsel of record, and defendant, by and  
23 through defendant's counsel of record, hereby stipulate as follows:

24 1. By previous stipulation and order, this matter was scheduled for trial on June 24, 2024.  
25 Doc. 141. The same stipulation and order outlined a pretrial briefing schedule, with a hearing on  
motions in limine scheduled for May 24, 2024. Doc. 141.

26 2. By this stipulation, the parties move to vacate the pretrial motions hearing schedule, the  
27 hearing on the motions in limine, and the trial and set the case for a status conference on June 3, 2024.

28 3. On November 20, 2023, the Court ordered that Mr. Corral undergo a competency  
evaluation. Doc. 139. On December 4, 2023, Mr. Corral moved for reconsideration of the Court's order  
and an emergency stay, Doc. 142 and Doc. 143. The Court denied those motions. Doc. 144. On  
December 14, 2023, Mr. Corral moved again for reconsideration. Doc. 147. On the same date, the

1 Court denied Mr. Corral's motion. Doc. 148. U.S. Marshals attempted to transfer Mr. Corral to MDC  
2 Los Angeles for the competency proceeding, but Mr. Corral refused. So, on January 3, 2024, the Court  
3 ordered that Mr. Corral's competency examination be conducted by a local psychologist i.e., one not  
4 associated with the BOP and directed BOP to not transfer Defendant to MDC Los Angeles.

5       4. Since the Court's order on January 3, 2024, the parties have contracted a local  
6 psychologist to evaluate Mr. Corral's competency to stand trial. The psychologist reviewed thousands  
7 of pages of Mr. Corral's medical records and then met with and examined Mr. Corral on February 22,  
8 2024. The psychologist is now preparing a report on Mr. Corral's competency. Once the psychologist  
9 finalizes his report, the parties will review the report and proceed with further competency proceedings.

10      5. During the time that the defendant has undergone competency proceedings and  
11 evaluation, defense counsel has not had the opportunity to prepare pretrial motions or to prepare  
12 responses to any of the government's previously filed pretrial motions. The defense needs additional  
13 time, after Mr. Corral's competency proceedings are completed, to attend to these matters. Thus, by this  
14 stipulation, the defendant moves to vacate the currently scheduled trial and pretrial motions scheduled  
15 and set the case for a status conference on June 3, 2024.

16      6. The government does not object to the defense's request.

17      7. The parties agree and stipulate, and request that the Court find the following:

18       a) Discovery has been provided to defendant, consisting of over 1,000 Bates-  
19 stamped items, including reports of investigation, an audio- and video-recorded interview of the  
20 defendant, photographs, and a summary of defendant's criminal history.

21       b) Defense counsel represents that, despite the exercise of diligence, she requires  
22 additional time to prepare for trial, to respond to the government's pretrial motions, to prepare  
23 potential pretrial motions for the defense, to conduct relevant investigations, to hire appropriate  
24 experts, and to issue various subpoenas in advance of trial.

25       c) Counsel for defendant believes that failure to grant the above-requested  
26 continuance would deny her the reasonable time necessary for effective preparation, taking into  
27 account the exercise of due diligence.

28       d) Based on the above-stated findings, the ends of justice served by continuing the

1 case as requested outweigh the interest of the public and the defendant in a trial within the  
2 original date prescribed by the Speedy Trial Act.

3 e) Although speedy trial time has previously been excluded through June 24, 2024,  
4 for the purpose of computing time under the Speedy Trial Act, 18 U.S.C. § 3161, et seq., within  
5 which trial must commence, the time period of the filing of this stipulation to June 3, 2024,  
6 inclusive, is deemed excludable pursuant to 18 U.S.C. § 3161(h)(7)(A), B(iv), because it results  
7 from a continuance granted by the Court request on the basis of the Court's finding that the ends  
8 of justice served by taking such action outweigh the best interest of the public and the defendant  
9 in a speedy trial.

10 8. Nothing in this stipulation and order shall preclude a finding that other provisions of the  
11 Speedy Trial Act provide that additional time periods are excludable from the period within which a trial  
12 must commence.

13 IT IS SO STIPULATED.

1                   **[PROPOSED] ORDER**

2                   IT IS ORDERED that the parties' briefing schedule, hearing on motions in limine, and trial date  
3 are vacated and a status conference is scheduled for June 3, 2024.

4                   IT IS FURTHER ORDERED THAT the ends of justice served by the schedule set forth above  
5 outweigh the interest of the public and the defendant in a trial within the original date prescribed by the  
6 Speedy Trial Act for the reasons stated in the parties' stipulation. For the purpose of computing time  
7 under the Speedy Trial Act, 18 U.S.C. § 3161, et seq., within which trial must commence, the time  
8 period of today's date through June 3, 2024, inclusive, is deemed excludable pursuant to 18 U.S.C. §  
9 3161(h)(7)(A), B(i) & (iv) because it results from a continuance granted by the Court at the parties'  
10 request on the basis of the Court's finding that the ends of justice served by taking such action outweigh  
11 the best interest of the public and the defendant in a speedy trial.

12                  IT IS SO ORDERED.
